TERMS AND CONDITIONS OF ENROLMENT

1. ALL APPLICATION are subject to the availability of course

2. IMMIGRATION: All international students must hold an appropriate visa or permit for their entire study period. Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at www.immigration.govt.nz

3. ELIGIBILITY FOR HEALTH SERVICES: Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz. All international students are required to declare any medical or learning needs before enrolment. Please note that international students are not eligible for special needs funding.

If you need to take any medicine long term, please check if the medicine is available in New Zealand. If it is not, you may need to talk with your doctor and find another solution for your needs.

4. ACCIDENT INSURANCE: The New Zealand Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

5. MEDICAL AND TRAVEL INSURANCE: While an international student enrolled with PBRS for educational instruction of 2 weeks' duration or longer, the student must have appropriate insurance to cover :

- (a) the student's travel-
 - (i) to and from New Zealand; and
 - (ii) within New Zealand; and
 - (iii) If the travel is part of the educational instruction, outside New Zealand; and
- (b) medical care in New Zealand, including diagnosis, prescription, surgery, and hospitalisation; and
- (c) repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting repatriation or expatriation; and
- (d) death of the student, including cover of—
 - (i) travel costs of family members to and from New Zealand; and
 - (ii) costs of repatriation or expatriation of the body; and
 - (iii) funeral expenses.

PBRS provides medical and travel insurance through a New Zealand insurance company. PBRS has assessed the policies provided by the insurance company. Insurance is compulsory for all international students studying at PBRS and will automatically be charged for unless an alternative insurance compliant with the Code of Practice has already been arranged. Please make sure you have declared all of your medical needs prior to your enrolment. Please be aware that insurance arranged by PBRS will not cover

your previous health issues.

With prior notification and forewarning, failing to present the up-to-date and effective insurance policy as an international student or failing to present it before the required date will be seen as deliberate violation of PBRS's rules and regulations. PBRS will exercise its right to suspend or terminate the student's study and report the case to all relevant departments (e.g. Immigration New Zealand). In this case, the individual student will be fully responsible for any consequences arise.

6. FEES: The Student fee payment schedule will be issued upon the receipt of an application form and all supporting documents. Fees are due for payment, before the start of your program of study. Once tuition has commenced, tuition fees will remain the same irrespective of changes to immigration status, for instance obtaining Permanent Residency, and any other changes. Prior to commencement, tuition fees are subject to change without notice. Where a student still owes money to PBRS for any outstanding items, the final qualification certificate(s) will not be issued until all accounts have been paid. Apart from fees that the student paid prior to commencement, students may need to pay for any failed courses or administrative fees. Please see our Student Handbook for details.

7. FEE PROTECTION: The New Zealand Government requires that all Private Training Establishments (PTE) registered with NZQA protect student fees paid to them in advance. At PBRS, all students' fees will be deposited in the government owned public trust account administered by NZ Public Trust. The fees will be released on a pro rata basis from this trust account in accordance with an agreed monthly schedule based on tuition delivered and until the completion of the program.
